## ACTMalaria News

### 20th Founding Anniversary of ACTMalaria

Asian Collaborative Training Network for Malaria (ACTMalaria) marked its 20th Founding Anniversary last November 24, 2016 with the theme "Investment in the Malaria Workforce: Investment in Malaria Elimination" in Fontana Leisure Park and Villas in Clark, Pampanga, Philippines. The event was hosted by the Department of Health-Philippines which the latter celebrates The Philippine Malaria Awareness Month. It was culminated by a Gala Night attended by the participants from the member countries.

**ACTMalaria (Asian Collaborative Training Network for Malaria)** is a training network to which the National Malaria Control Programmes of Bangladesh, Cambodia, PR China, Indonesia, Lao PDR, Malaysia, Myanmar, Nepal, Philippines, Thailand, Timor-Leste and Vietnam are members. The network aims at 2 major activities:

- Provide collaborative training for member countries to meet the needs of malaria control in Southeast Asia and the Mekong Sub-region;
- Improve information and communication exchange among member countries, partners and other stakeholders on malaria problems affecting the region.

The secretariat and most of the activities of the network has been funded by PMI/USAID through WHO Umbrella Grant.
